The collection will be available on ovs.it from 00.00 on 18.11.2016 and in the selected stores from 10am on 19.11. 2016.

ITEMS AVAILABLE FOR PURCHASE

The Jean Paul Gaultier for OVS collection is a limited edition, but we want to give as many customers as possible the chance to purchase it: this is why, both on ovs.it and in the selected stores, each customer can only buy one of each item in the collection.

This limit applies to all the items in the collection, including accessories, shoes and bags.

MAXIMUM AMOUNT THAT CAN BE ADDED TO THE SHOPPING CART

The **maximum amount** that can be placed in the cart for each order is **999 euro**.

REGULATIONS REGARDING QUEUEING AND ACCESS TO THE STORE

Starting from 8am on 19.11.2016 (and for stores inside shopping centres, from the gallery opening times), the customers in the queue will each receive a numbered ticket. The tickets will be delivered in groups, determining the groups for entering the store, which will be composed of 15 people each; the number of the ticket will indicate the shopping session in the dedicated store , in which the entire men's and women's collections will be on display in all the available sizes. Each group will have 20 minutes of time available in which to make their purchases.

From when the ticket is delivered to the queuing customer, they will not be allowed to leave the queue otherwise they will lose the turn corresponding to the number indicated on the ticket.

As this is a limited edition, please note that having a ticket is in no way a guarantee that the customer will be able to find the assortment of the Jean Paul Gaultier for OVS collection when entering the dedicated sales area.

In any case, customers will be able to make other purchases in the store as the queue management system only applies to the Jean Paul Gaultier for OVS corner.

UPON YOUR ARRIVAL

If you arrive at the store before it opens, please join the queue in the dedicated area. The shop staff will remind you of the purchasing procedures for the collection.
